JORITY IN THE LEGISLATURE ELECTED IN NEW-YORK - BUTLER DEFEATED AGAIN IN MASSA-CHUSETTS-REPUBLICAN MAJORITY IN PENN-SYLVANIA 50,000. The Republicans have carried all the so-

called "doubtful" States by sure majorities. In New-York they have elected Cornell by a plurality of about 35,000, and probably the rest of the State ticket by from | Boston the Adams ticket can hardly be found in 5,000 to 10,000. They have also secured a large majority in both branches of the Legisla-

The Massachusetts Republicans have repeated their defeat of Butler, and have elected Long Governor by a plurality ranging from 13,000 to 15,000. They have an overwhelming majority in the Legislature.

The Pennsylvania Republicans have rolled up the enormous majority of 50,000.

Wisconsin, which the Democrats have been claiming as a "doubtful" State for next year, has gone Republican by 20,000 majority which may rise to 30,000.

Connecticut has elected a Legislature which shows a Republican majority of 93 on joint ballot, against a Re publican majority of 47 last year.

In New-Jersey the Republicans have gained eight Assemblymen and one Senator in the counties heard from, and are holding their own so well through the State that an increased Republican majority in the Legislature is assured.

Nebraska has gone Republican by 12,000 majority, just double that of last year.

The returns from Virginia are rather indefinite, but the Debt-paying party is hopeful that it has carried the Legislature and saved the credit of the State from the Repudiation-

There was a good deal of scratching in Minnesota, but the Republicans have carried the State by about 10,000 majority.

Mississippi had a "quiet" election, and is solid for the Democrats.

BUTLER DEFEATED ONCE MORE. THE PLURALITY AGAINST RIM ABOUT 17,000—THE LEGISLATURE AND THE GOVERNOR'S COUNCIL OVERWHELMINGLY REPUBLICAN-SKETCHES OF THE SUCCESSFUL CANDIDATES.

[BY TELEGRAPH TO THE TRIBUNE.] Boston, Nov. 4 .- The old Bay State is true to her record, and rebukes with a very decided voice the efforts of General Butler to array the laboring classes against the employers and to disturb the business interests of the State. He began, he said. soon after his defeat last year, and carefully laid his pipes. Ex-Collector Simmons, Roland G. Usher and Albert Palmer, all of whom had received honors from the Republican party, were roped in by General Butler and made to subserve his purpose by heading a so-called independent movement, which it was hoped would draw largely from the Republican ranks. But in this they were disappointed, the disaffection from the party being very small, and but hitle greater than that of last year, when no attempt was made to organize an inde pendent faction.

The Hon, John D. Long, the Republican nominee for Governor, is elected by a plurality of from 13,000 to 15,000 over Butler, John Quincy Adams, the regular Democratic nominee, and the Rev. Dr. Eddy, Prohibitionist. Talbot's plurality last year was 25,290. In the absence of any exciting issue other than that introduced by Butler, it was expected that the vote would be much smaller, and many staunch Republicans did not expect that Mr. Long would have much if any over 5,000 plurality. The vote in Boston is as follows: Long, 13,238 Butler, 23,445; Adams, 1,530; Eddy, 99. Last year the vote was: Talbot, 20,768; Butler, 25,256; Abbott, 1,699; Miner, Prohibitionist, 167. The Republicans elect their candidate for the Governor's Council, and an overwhelming majority of the Legislature.

The Hon. John D. Long, the Governor elect, is the youngest man ever elected Governor of the old Bay State. He was born in Buckfield, Maine, October 27, 1838, and was graduated at Harvard University 28,000. in the class of 1857. He was at one time principal of Westford Academy, in this State, but has for some time past been a prominent member of the bar, as a member of the firm of Allen, Long & Savage of this city. While a citizen of Maine, and for some time after his removal to this State, Mr. Long was identified with the Democratic party, but of late he has been in full sympathy with the Republicans. He has served four years in the Legislature; in 1876 he was elected to the Speakership, which office he tilled with diguity and ability during that and the two succeeding years. In the Republican State Convention in 1878 he was urged by his friends as a candidate for Governor. and was Governor Talbot's only competitor for the nomination. Accepting the second place on the ticket, he did active campaign work, and at the election ran ahead of his ticket, receiving 136,824 votes, the highest number cast for any one person. Mr. Long's services as Lieutenant-Governor added to his popularity and gave him a valuable experience. He is a gentleman of very pleasing address and of modest and unassuming manners. He is a good public speaker, and his personal and political record is above reproach.

The Hon. Byron Webster, the nominee for Lieutenant-Governor, was bern in Dalton, April 9, 1832. He received his education at Williston Semmary. and is at present engaged in the business of paper manufacture. During the war he served in the 49th Regiment of Massachusetts Volunteers as captain of Company K. The only public office he has ever held is that of State Senator, paying been elected to the Senate of 1876 to represent the Berkshire District. There was a lively contest for the office of Secretary of State, and for a time it seemed as if the Republican candidate, the Hon. B. Peirce, who has most acceptably discharged the duties of that office for the past year, would be defeated by General Donahoe, who was on the Butler regular Demoeratic and Greenback tickets. But Mr. Petrce is elected, as is the remainder of the State ticket,

BUTLER ADMITS HIS DEFEAT. [BY TELEGRAPH TO THE TRIBUNE.]

THE STATE VOTE. OVER 13,000 REPUBLICAN PLURALITY IN 260

IGENERAL PRESS DISPATCH.) Boston, Nov. 4 .- Returns as far as received indicate that Long, the Republican candidate for

Governor, is elected by from 12,000 to 13,000 plurality, and this may be increased by further returns. The Republican candidates for State offices are probably all elected, and the Legislature will be largely Republican. The vote shows a material falling off as compared with last year, the Prohibition vote amounting to little, and the straight Dem-

ocratic ticket receiving slight support. The vote of 260 cities and towns for Governor is mpared below with the vote of the same towns in

REPUBLICAN MAJORITY 50,000. [BY TELEGRAPH TO THE TRIBUNE.]
PHILADELPHIA, Nov. 4.—The Republican majority

in Pennsylvania is about 50,000.

F. C. HOOTON. [Chairman of Republican State Committee.]

LARGE REPUBLICAN GAINS. A GAIN OF 6,000 IN TWENTY-FOUR COUNTIES. [GENERAL PRESS DISPATCH.]

PHILADELPHIA, Nov. 4.-Partial returns from 24 out of 67 counties in this State, exclusive of Philadelphia County, show a Republican gain of 6,000. Twenty-seven wards in Philadelphia out of 31 give Butler (Republican) 26,216 majority for State Treasurer over Barr (Dem.), a Republican gain of 9,701.

Bradford City has gone Republican by a majority of 80 over the Democratic State ticket. There is about the same majority for Jury Commissioner. Kennedy (Ind.-Rep.) is elected by a majority of 73

over Johnson (Rep.)

The returns from McKean County are meagre, but they give the Republican State ticket a slight majority. A very light vote was polled.

A ROUSING REPUBLICAN MAJORITY IN PITTSBURG. The City of Pittsburg will give between 5,000 and 6,000 majority for Butler. The Republican county ticket will be elected by majorities ranging from 2,000 to 5,000.

WISCONSIN.

[BY TELEGRAPH TO THE TRIBUNE.] MILWAUKEE, Wis., Nov. 4.-Returns from 180 towns and wards show a net Republican gain of 8 000. The present indications are that the Republican majority for Governor will be from 20,000 to 30,000. The Greenback vote is light. The Legislature is Republican by a good majority in both branches. Milwaukee County, which a few years ago gave 5,000 Democratic majority, now rolls up over 2.000 Republican majority.

A REPUBLICAN GAIN OF 6,015 IN NINETY-SEVEN TOWNS AND CITIES. [GENERAL PRESS DISPATCH.]

MILWAUKEE, Wis., Nov. 4 .- Ninety-six towns and cities outside of Milwaukee show a Republican gain of 3,554 over the vote of two years ago. The County and City of Milwaukee, with one precinct to hear from, give a Republican gain of 2,461. The net Republican gain in the State, including Milwaukee, so far is 6,015. There is little doubt of Smith earrying the State by 20,000.

CINCINNATI, Nov. 4.-A dispatch from Milwaukee says that the State is sure of a Republican majority of 20,000, with a fair prospect of swelling it to

for Governor.

A HANDSOME REPUBLICAN VICTORY. CORNELL RIECTED BY A PLURALITY OF PROB ABLY 35,000-THE REST OF THE REPUBLICAN STATE TICKET PROBABLY ELECTED ALSO-BOTH BRANCHES OF THE LEGISLATURE LARGELY RE-

Mr. Cornell has been elected Governor by a plurality which, from the latest indications, may reach 35,000. In this city John Kelly received about 43,000 votes, Robinson 60,000 and Cornell about 55,000. Robinson's plurality in Brooklyn is estimated at 10,000, making a total of about 20,000 in the two cities. Cornell's plurality outside of New-York and Brooklyn is estimated at 55,000 on present returns, leaving him a plurality on the total vote of probably 35,000. St. Lawrence County's majority for Cornell is estimated to be from 6,000 to 7,000. The plurality for Cornell in Oswego County is put at

Returns of the vote for Lieutenant-Governor seem to show that, in spite of the union of the Democratic factions upon the nominees for six State offices, the whole Republican State ticket below Governor may be elected by a majority of from 5,000 to 10,000. Hoskins lose less than 400 votes on the Republican pluralities in sixty-four towns as compared with last year, when the Greenback vote in the State was 75,000; in 134 towns, Cornell loses 4,000 votes as compared with last year's pluralities. The Greenback vote seems almost to have disappeared.

No definite returns have been obtained upon the Legislative tickets in this city and Brooklyn, and estimates upon the strength of parties in the Legislature are necessarily mexact. But it is clear that the Republicans have elected two-thirds of the Senate, and probable that they have elected about the same proportion in the Assembly.

THE VOTE BY TOWNS,

Up to the hour of going to press with the first dition of THE TRIBUSE, returns had been received from 134 towns, including the cities of Troy, Syracuse and Auburn. These towns and cities gave last year a plurality of 16,451 for the Republican candidate for the Supreme This year they give a plurality of 12,081 for Cornell. This indicates that Cornell is getting 74 per cent of the Republican plurality of last year in the counties north of New-York City, and that his plurality outside of New-York and Kings Counties will be 56,000. It is at this hour estimated that New-York and Kings Counties will give a combined vote of 20,000 against Cornell, electing him in the State at large by 35,000 plurality.

Returns have also been received from 84 towns as to the vote for Lieutenant-Governor. These reports indicate that the men on the State ticket below Cornell run considerably ahead of him. These officers have to meet the combined strength of the Kelly and Robinson vote. Returns from 84 towns indicate that they are getting 85 per cent of the Republican vote of last year, and may

be elected by over 5,000 plurality.

John Kelly's vote was strong in Oswego, Washington, Queens, Cattarangus, Wyoming, Ulster, Monroe and Onondaga Counties, helping the Republican ticket greatly.

A CLOSE CITY VOTE.

ROBINSON'S PLURALITY SMALL. THE COUNTY TICKET IN DISPUTE-A REPUBLICAN SHERIFF PROBABLY ELECTED - GUMBLETON DOUBTLESS DEFEATED FOR COUNTY CLERK-NO DEFINITE RETURNS FOR CORONER-ROOT, MC-ADAM AND HAWES PROBABLY RETURNED.

The vote in New-York County yesterday was singular in a great many respects. It was unparalleled for closeness on the county ticket, and the plurality given to the Democratic candidate for Governor shows a smaller vote than has been cast for a Democratic candidate in this county in many years. How formidable has been the bolt of John Kelly and the Tammany party is indicated by the fact that there were over 40,000 votes for him as a "bolting candidate." The general result is a substantial victory for Kelly and his faction as it indicates the defeat at least of Robinson for Governor. The issue as to the rest of the Republican vote appears to be left in doubt by the returns from New-York County, The great number of split tickets made it difficult work to count the total votes given for any one candidate, and the returns were later coming in date for County Clerk.

than they were ever before known to be. Enough, however, were forthcoming to authorize the calculation that Governor Robinson's plurality would not reach 15,000, and might not be more than 10,000 over Cornell. Below will be found a table, as far as actual returns would justify its completion, showing the vote in the city and

county for Governor and Lieutenant-Governor. Few returns of sufficient value to indicate clearly he result of the election for Sheriff, County Clerk and Coroners had been received at the time of going to press owing to the delay in counting the State ticket. The few returns at band indicated, however, the following as the successful candidates for the offices named :

Sheriff-Robert C. Brown, Rep. County Clerk-W. A. Butler, A. T. Judge of Common Pleas-Elihu Root, Rep. Judge of Marine Court-David McAdam.

Judge of Marine Court-Granville P. Hawes. The non-receipt of returns from the Vth, XXth and XXIst Assembly Districts by the Associated Press, Bureau of Election and Police Department 18 regarded with much suspicion, and there seems little doubt that an attempt has been made to "fix matters" in that section against Mr. Butler, candi-

CITY VOTE FOR GOVERNOR AND LIEUTENANT-GOVERNOR.

FULL RETURNS BY ASSEMBLY DISTRICTS COMPARED WITH THE REGISTRATION. The Legislature of last Winter made a new apportionment of election and assembly districts in New-York County, so that it is impossible to make any comparison of the votes of this year and any previous year. Furthermore, there has never been witnessed in this county a bolt of Democrats as formidable as that led by John Kelly. Consequently, the calculations of the strength of the three candidates, Cornell, Robinson and Kelly (the Greenback candidate having virtually withdrawn) can only be made on the basis of the total registration, of which the figures are given in the table below.

RESULTS IN BROOKLYN.

DEMOCRATIC SUCCESS IN THE MAIN. ROBINSON'S PLURALITY ABOUT 10,000-MAYOR HOWELL RE-ELECTED-MOST OF THE DEMO-CRATIC CITY AND COUNTY OFFICERS ELECTED.

In Brooklyn the election returns were exceedingly low in being reported at the Police Headquarters. has been usual to attribute this delay to the police; but the fault appears to lie, rather, with the canvassers at the various polling places. The Police Department was prepared to receive the returns as fast as they could be transmitted, and by 6 o'clock eight telegraph operators were ready for work. The polis closed at 4:53 p. m., but it was not until 7:40—nearly three hours later that the vote from the first district was received. This was from the IIId District of the Eighteenth Ward, far in the Eastern part of the city. The returns from not a single ward on the State ticket were completed until 10:20. The police were in readiness to receive the entire State and County ticket from every polling place in two

The figures were so incomplete at 1 o'clock this morning that it was impossible to state the result with accuracy. The indications were that the greater part of the Democratic ticket had been elected. Robinson has carried the city by about 10,000 majority over Cornell, who ran behind Hoskins in nearly every district.

The Democratic county and city ticket also

seems to be elected-Carroll (Dem.) for Regisby about 12,000 over Ray (Rep.), and Elliott (Dem.) for County Clerk by about 9,000 over Stears (Rep). The reëlection of Mayor Howell is deemed certain, although no figures had been received at the hour named. In the IIId Senate District the contest between Goodrich and Schroeder has been very close. At the hour named sixteen districts remained to be heard from; those from which the returns had been received gave Schroeder a majority of 257. In the Hd. District William H. Murtha, (Dem.,) is elected over Philip J. O'Hanlon, (Rep. and Ind. Dem.,) and in the IVth District it is probable that John C. Jacobs (Dem.) has a majority over Henry E. Rochr (Rep.) Reports from Brooklyn at 2:30 a. m. state that Governor Robinson will have about 9,000 plurality in Kings County. The Democrats elect most of their - county, and all of their city ticket. The result of the canvass in Brooklyn shows that the campaign has been an unusually sharp one, as many of the candidates for the local offices crowded each other very closely on the vote. The Democrats, however, stood by their regular nominees. The friends of John Kelly anticipated that he would get a vote of

exceed 4,000. The vote for the independent candidates on all the tickets was exceedingly small. The canvass of the vote upon the city and county ticket is not entirely completed, some of the districts being still missing. At 3 a. m. the vote for Mayor in sixty districts had been received. These gave Howell a majority

of 1,000 over Woodruff.

The Democrats have elected two out of the three Senators, and eight out of the twelve Assemblymen, THE CANDIDATES ELECTED.

The following candidates upon the county ticket appear from the votes already in at 3:30 a. m. today, to have been elected: Register-Thomas Carroll (Dem.) County Clerk-William L. B. Steers (Rep.)

County Treasurer-Gilliam Schenck (Dem.) Supervisor-at-Large-J. B. Myenborg (Dem.) Charity Commissioner-IVth District-E. F. Linton

Justice of Sessions-Adolph Gubner (Dem.) The Democrats have elected their city tickets, the successful candidates being as follows:

Mayor-James Howell. Justice IIId District-John Courtney. Justice IVth District-Thomas J. Kenna. Justice Vth District-Charles Kiehl. The candidates for the Senate, who appear to be elected, are William H. Murtha (Dem.), IId District;

GENERAL GRANT AND THE PEOPLE.

F. A. Schroeder (Rep.), HId District; John C. Jacobs

(Dem.), IVth District.
